

*Saving lives through research and education*

In as much as the AAA Foundation for Traffic Safety (AAA FTS) participated in the development of the Novice Teen Driver Education and Training Administrative Standards, and has participated in the Association of National Stakeholders in Traffic Safety (NTDETAS), it hereby approves the following resolution:

AAA FTS endorses and supports the Novice Teen Driver Education and Training Administrative Standards (Administrative Standards) and efforts to enhance it as additional research and other relevant information become available,

Supports the Association of National Stakeholders in Traffic Safety Education (ANSTSE), working in cooperation with the National Highway Traffic Safety Administration (NHTSA) and other key stakeholders, to encourage States to adopt and implement the Administrative Standards,

Encourages the ongoing evaluation of the Administrative Standards, and

Remains committed to working with national organizations and key stakeholders to realize an enhanced driver education system throughout the United States as envisioned in the Administrative Standards.
