A Resolution

The *Driver Education and Training Administrators* (DETA) Executive Committee approves the following resolution:

DETA hereby endorses and supports the *Novice Teen Driver Education and Training Administrative Standards* (NTDETAS) and its future evolution.

We support the *Association of National Stakeholders in Traffic Safety Education* (ANSTSE) working in cooperation with the *National Highway Traffic Safety Administration* (NHTSA) to encourage and support States to adopt and implement the Administrative Standards.

We encourage the ongoing evaluation and review of the Administrative Standards. DETA is committed to working with the other national organizations to realize the vision for an enhanced driver education system within the United States embodied in the Administrative Standards.

Signed, this day, the 5th of December, 2012

Tana Cochran, President

Nina Jo Saint, Executive Dir.

We look to a time when safe drivers are the norm; risk prevention behaviors are employed, and traffic safety is a core societal value.
